My Portofolio

Introduction

Hi, I'm Riski Alfaizi, a Business Development Executive & Data Enthusiast with a strong background in business strategy, data analytics, and market intelligence. I hold a Magister Administrasi Publik from Universitas Esa Unggul, Jakarta (2024) and a Bachelor's degree in Public Administration from STIA, Jambi (2020).

With over 5 years of professional experience in fintech and technology industries, I have successfully contributed to business expansion, user acquisition, and data-driven optimization. Throughout my career, I have worked with leading companies such as FinAccel (Kredivo Group), Grab Indonesia, and Komisi Pemilihan Umum (KPU), where I played a key role in developing strategies that enhanced market performance and operational efficiency.

I aspire to continue innovating in the fintech, technology, and data analytics sectors, helping businesses harness the power of data to achieve sustainable growth. I am highly skilled in business intelligence, data-driven decision-making, market analysis, and digital transformation, ensuring that companies stay ahead in a competitive landscape.
